" At that time there were already 5 non-Brahmin students reading in other than sastra classes and one of the Committee Members, Mr S. Vaidyanatha Iyer, proposed that they should be also told to discontinue attending the College. On this point, it was resolved that information be obtained from the Maharaja's Sanskrit College, Mysore, as to --- whether non-Brahmin students were admitted into the College and further decision arrived at. The --- authorities of the Mysore Sanskrit College were addressed on the subject by the Bangalore Sanskrit College Committee but no reply was received from them. No non-Brahmin students were, however admitted to any of the classes thence-forward, and those that had been admitted prior to the Committee's re-

The question of admitting Jain students into His Highness the Maharaja's Sanskrit College at Mysore came up before Government in 1905 and the Mysore Sanskrit College Committee having strongly protested against the admission of such persons the matter was referred to the Council under the command of His Highness the Maharja. In the Council Meeting held on the 7th March 1906, it was decided that it was inexpedient to admit non-Brahmin students into the College. His Highness the Maharja having been graciously pleased to approve of the Council decision, the same was communicated to the Sanskrit College Authorities at Mysore and Bangalore and to the Inspector General of Education in Government Proceedings No. 4549-51 / Muzrai dated the 7th April 1906.
